If you have yet to obtain a voting card, you will be prompted to enter your securityholder number or proxy details before you can ask a question. To ask a question, click on the 'Ask a Question' button either at the top or bottom of the webpage.

The 'Ask a Question' box will then pop up with two sections for completion.

In the 'Regarding' section click on the drop down arrow and select the category/resolution for your question.

Click in the 'Question' section and type your question and click on 'Submit'.

A 'View Questions' box will appear where you can view your questions at any point. Only you can see the questions you have asked.

If your question has been answered and you would like to exercise your right of reply, you can submit another question.

Note that not all questions are guaranteed to be answered during the Meeting, but we will do our best to address your concerns.
